PLANTS

INTRODUCTION

We exercise the greatest care to have all trees and plants true to name and will replace any that may prove untrue, and are always willing to correct any errors on our part; but we are not responsible beyond the original amount received for stock.

When proper care is used in planting we guarantee ninety per cent. of our trees to live. We will superintend planting, or plant at reasonable prices, and guarantee all stock to live.

DELIVERIES

Deliveries will be made by team or truck when practicable.

Shipments by freight or express delivered free to the railroad or express company.

Small packages sent by parcel post C. O. D., when desired.

Terms cash with order or when delivery is made.

SATISFACTION GUARANTEED

The following lists contain the old standards and what we consider the most desirable of the new varieties. If we have not listed everything you desire please advise us, as our connection with other growers enables us to furnish, at reasonable prices, any trees, shrubs, or plants suitable for this climate.

We shall be pleased to make recommendations for effective planting, screens, borders, back-grounds, gardens, orchards, etc., without charge.
